	Thanks Lisa, (great job!) for all your hard work.
	A very useful evening, thanks
	Thank you Lisa. Really interesting evening and great food
	Getting into the little research groups was great!
	Brilliant! I know numbers were down but it meant the 'shy' had a voice. Lots of brilliant chatter. Excellent 'process' - perfect - keep up great stuff and smiling as you do. PS Ent Shed smaller venue? Online date researcher v fellows?
	Cold and chilly atmosphere - more heating. I would like the notes on well-being
	Cold!
	I am /or do have a small concern with the participation and engagement. Seems there is a core that are regularly attending - want it to keep progressing and keep pace
	Pitches were very mismatched
