| Thank you for your organisation |
| PICO - is really timely for me. It is great to have a speaker of substance over performance |
| Thank you x 2 |
| As always - always worth coming to! |
| Something practical to focus Fellowship thinking! (A bit cold) |
| One of the most enjoyable evenings |
| Very enjoyable |
| Informative presentation on evidence -based practice |
| Very useful and entertaining speaker - thanks Lisa for great work |
| A really enjoyable evening, thank you |
| I feel more confident at drawing up a plan to carry out my EBI, especially in formulating the tasks |
| Keep it coming and don't be afraid to think outside of education |
| Cake! Thanks Lisa |
| Longer time with Dr Gary Jones - would have liked to see him unpack some of his ideas |
| Somehow slower today not sure why. PICO/CIMO excellent to get RQ going. Just needed a bit more oomph! |
