| Love the idea of the 'practitioner space' - looking forward to writing   |
| looking forward to getting writing for the forum -what a great idea      |
| very interesting evening - I am looking forward to reading Mikes article |
| Really intersted in the peer review writing exercise                     |
| A little less pepper in the soup   |
| Very engaging evening  |
| Really enjoyed tonight's relaxed discussions. Thank you                  |
| The soup was interesting! Could do with being thicker!                   |
