**How has The AEFPP suppers and lectures made an impact to your school or organisation?**

Given our school an outward eye, and an inward confidence to grow and challenge ourselves and each other, and a professional platform to discuss higher educational concerns  
 Always share notes with colleagues and often implement in my practise

Assisted my own transformation which has supported staff and members of my current school.

Thank You  
 Loved the mindfulness  
 Refreshing perspective to take away and enrich own lives and others

Different approach - Really enjoyable  
 Brilliant!  
 Great Evening!  
 Excellent evening - very reflective and informative
